- ⊕ Maximum user-friendliness

SPORT

EPOWER
Selection

GAS-FREE HOLIDAYS

For newcomers to caravanning and seasoned professionals alike, the gas-free E.POWER SELECTION layouts are an attractive alternative. In addition to less maintenance and increased safety, this special model comes with lots of features on top.

Huge
U-shaped seating area

460 EU. Always the perfect temperature. An energy-efficient air-conditioning unit provides cool or warm air at the touch of a button as standard.

500 FU. Due to its gas-free design, extra storage space can be found in the front locker.

Spacious
single beds

460 EU. The wall covering above the beds complements the atmosphere perfectly.

Space-saving
compact kitchen

450 FU. The SPORT E.POWER SELECTION includes a practical induction hob and an efficient compressor refrigerator.

SPORT E.POWER SELECTION

Information on the product delivered, dimensions, mass and appearance, correspond to our understanding at the time of printing (08/2023). The prices stated are the manufacturer's recommended retail prices. The stated prices include the applicable statutory value-added tax and, where applicable, other legally prescribed calculation factors or taxes, which may also be shown separately. Depending on the country, the listed prices do not include the costs for registration papers, delivery and transport unless expressly stated otherwise. Please consult your KNAUS dealer for details. We reserve the right to make technical changes insofar as they serve progress and remain within reason. Before purchasing, please also note the technical and legal information and notes in our configurator as well as in the current price list. You can find the current price list on our KNAUS website. The optional extras selected will increase the mass of the production vehicle. Comparison models: The comparison model is always the floor plan of the series. For the SÜDWIND 60 YEARS 500 FU, for example, the comparison model is the SÜDWIND 500 FU. Errors and misprints excepted. Images for illustrative purposes only. Some of the illustrations show equipment features that are not included in the standard equipment and that can be ordered for an additional charge (optional equipment) as well as some equipment features of prototypes/studies that do not correspond to the standard equipment and therefore cannot be ordered as optional equipment. Slight colour deviations of the illustrations in the brochure from the actual vehicle cannot be completely excluded for printing reasons.

* Savings advantage over individual purchases.

** A voucher for redeeming the medication set is enclosed with the vehicle. The medication set contains pharmacy-only medication. The voucher can therefore only be redeemed at the responsible MediKit mail-order pharmacy at www.medikit.shop. You can also obtain further information about your MediKit at www.medikit.shop.
